

Pentatonic Zigzag Shifts

The image displays 11 staves of musical notation for guitar, titled "Pentatonic Zigzag Shifts". The notation is organized into two key signatures: the first six staves are in D major (two sharps), and the last five staves are in D minor (two flats). Each staff contains a sequence of eighth-note patterns, often with repeat signs at the beginning and end. Fingering numbers (1, 2, 3, 4, 0) are placed above the notes to indicate fingerings. The patterns are designed to be played on a guitar, with some staves starting with a double bar line and repeat sign.
